Technology Solutions

Make a positive impact.

Today, markets who benefit from our expertise include: Associations, Education, Financial Services, Franchise, Healthcare, Insurance and Manufacturing.

Today's print.

An experienced partner you can depend on for sensible, high quality marketing communications programs supported by over three decades of expert print manufacturing.

Tomorrow's technology.

Scalable technology designed to increase efficiency, automate processes, and facilitate communication programs across your organization.

Industry leader.

Holding true to the traditional methods of communication while embracing the opportunities and advancements of tomorrow's technology, BFC's managed blend of products and services is proven to reduce overall spend.

Today's print. Tomorrow's technology.

Over the past 15 years, BFC has transitioned away from the traditional transactional cycle of print and today focuses on the total production life cycle of an item...get the right product to the right person at the right time for the right cost.
